

USBD_LL_SetUSBAddress

```
graph LR; A[USBD_LL_SetUSBAddress] --> B[USBD_Get_USB_Status]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'USBD_LL_SetUSBAddress'. A blue arrow points from this box to a second box on the right, which is white and contains the text 'USBD_Get_USB_Status'. Both boxes have a thin black border.

USBD_Get_USB_Status
